

Neckwear! Lawn Waists!

Summer Neckwear.

Our assortment of Neckwear never was better than now and you'll find just that difference in cut, fit and general design that distinguishes ours from the common sold everywhere kinds. We have excellent things in Silk Neckwear, but we want you to see especially the Wash Neckwear.

Prices, 25c, 50c, 75c, 87c.

Lawn Waists.

Our values have always been good, but this year there's considerable more style in the \$1.00, \$1.25 and \$1.50 Waists than you have been in the habit of seeing. The fit is satisfactory also. The better Waists we cannot say too much about, and if you have got \$2.00 to \$4.00 for a Waist we are sure of pleasing you.

Removal Announcement

We Broke Away From the Old Shell Last Week
and Find Ourselves in a New World.

Hereafter we shall make our home in the Big Store in the Bolster Block, next door to Barre Savings Bank, having removed from the old Blue Store on Depot Square and closed up that stand, as the owners expect to erect a new block there in the near future.

We believe we made a good move—a good move also for our customers. We have about three times the floor space now, the lightest, the brightest and the handsomest store in town, with the costliest store fixtures to be had. It was a typical May awakening for us.

In our new move we have a new stock, a new display, and we are looking for new trade. We have all the accommodations for attending to our large list of regular customers, with new facilities for service to new trade.

Everything for men and boys ready to wear, from top to toe, at money-saving prices—or your money back. May we serve you in our new quarters?

THE VICKSBURG INCIDENT.

Pavlov's Report of Americans' Action at Chemulpo.

St. Petersburg, May 11.—The final word regarding the combat at Chemulpo, Korea, has been pronounced by M. Pavlov, the Russian minister to Korea, whose official report is gazetted in the Official Messenger. M. Pavlov says:

"The commander of the Vicksburg sent a boat with a surgeon to offer medical help to the wounded on the cruisers Variag and Korietz, but the officer in charge said, in the name of his commander, that it was impossible for him to take any Russians on board his ship. The commander of the Variag thereupon declined assistance.

"The commander of the Vicksburg offered to receive the Imperial mission if it was compelled to leave Korea, but I declined the offer, saying that I would go on a French cruiser.

"Twenty-one Russians who were on the French cruiser Pascal were suffering from gangrene, and, fearing that the disease would be communicated to the other wounded, the commander of the Pascal signaled to the Vicksburg and asked if she would receive those men, but the American commander positively refused to do so."

Telegraph Wire Jewelry.

The descendants of the aborigines of Australia are very fond of jewelry, but they do not pay much for it. They use telegraph wire to make bracelets, earrings and nose rings and tear down the telegraph lines for that purpose.
